

A few thoughts on the humble Bicycle

BICYCLE - Bi-Cycle Two/Duality Cycle/Spin cycle, Spinning wheels, spin-doctoring political agendas.

FORK - Fork Tongued-Liars, Double-Speak, Legalese (the duality language of liars aka BAR members). Stick a fork in the BAR-BAR-queued Black Sheep - those woolly-headed nonchalant/non-shall-ent/non-silent lambs to their own slaughter - they are done!

HANDLE-BAR, Handle =Trade, Bars-Prison / B.A.R association-members/Legal system Trade in keeping others behind Bars. The BAR-CODE, trade-handle commercial I.D. numbering/identification system, en-coded labels.

CROSSBAR - to go across the BAR into Legal la la Land, become a Judge or a Lawyer or a Barrister. Or be the Prisoner at the BAR. A man goes into a Bar. The Bar-tender asks, 'What can I get you for?'. Not funny? No. It's a terrible joke upon humanity and it's expensive at that Bar!

FRAME - a neat finish to a painting. A crime carried out and made to look like someone else did it.

SPOKES - spoken word/curses, writing-cursive-to curse another or oneself with the spoken or written words.

PEDALS - Ped-alls/Ped-El's (peddling El), Ped=feet all in the Pisces Feet Age of Duality Doubt/Belief, Bi-Pedal on Two Feet walking in the age of the duality motif of the religions, the roman church the Papacy, Bishops with their fishy Bi-Shop hats Pedalling their religious wares to those eager to buy, Pedo-All-inked into the registers, Pedo-Alls, Pedo-file-liar, Pedo-Fee-Liar, Pedometer-measuring the steps to hell. Bible-Bi-Bull, Buy-Bull, Saved By the Bell - the church bell, come to worship/war-ship. Bicycle translated into Dutch = Fiets, pronounced Feets. Lots of feet are never feets though are they. No, the Feets/Fiets are kept within the

confines of the Bi-Psi-Cull. In-Chi's and Feet are used to measure the distance between doubt and belief and truth and lies in the IMP (demon) ERIAL system the units of measurement are FEET & INCHES: 1 foot, 2 feet, 3 feet = 1 Yard. A Yard in the Trade/Handle-Bar legal system withing the Holey, Whole-Lie Trinity of 3 piscean feet is often one with high walls and barbed-wire on the top - a Prison Yard. There are frontyards, backyards, courtyards...oh yes, the Courts! Kings and Queens and Prints-Cesses and the Royal Courts of Just-Us in our Delusions that someone else may sit in judgement over you...at the Courthouse.

SADDLE/SEAT - Have a Seat in the Court room, have a seat in the Church, Courts are Churches and VICE-versa and the Judge/Priest of Baal sits on the Bench which means Bank/Banque (having a Banquet in your dis-HONOUR) while the Prisoner sits in the Dock, and the BARrister reads the documents/Dock-you-ments, as your ship is docked in their Yard, the ship-Yard/the Docks for the Fish Trade-Handle and the Ship-builders. While the BAR system's saddle-bags are stuffed full of your life-force in the form of money, you are Saddled with debt and finding yourself criminalised (from the outset via the legal name fraud) as you struggle to make it through 'The Maze' (oh, that's also the name of a prison, imagine that!) on what might be called 'Plan-It Legal'. Have a problem? Take a seat. Someone will be with you shortly to take your statement, your State-of-Mind, to take your State-owned-Mind, to take you, you're Mined.

CHAIN - Chain-gang prison labour, Slaves in chains in commercial/trade Ships (ship is the mind too), the Chains of Office - the Lords Mayor of the City of London State, et al. LinkedIn: the World's Largest Professional Network. Collar & Cuff-links, anyone? Sing-a-long: '*Chain-Chain-Chain. Chain of Fools*'.

GEARS - Police Riot Gear, All-gearred up and ready to go to war. Gears control the ride over the different terrain, Shifting gears to make it easier or harder to pedal the-lies-dressed as truth when the next political voting debate comes around and you want to make your gear Selection. Get your ass in Gear or you'll be late for work!

TYRES - they get worn out. Yes, we are very tired! Sick and tired of the lies and for-profit control. The system treads on the tired ones as they try to maintain a good grip on the slippery surface of the downhill slopes. When you cannot keep a grip you'll slide and fall off and hurt yourself and go knocking on the door of doctor/DOCK-tore once more...and you'll buy new Tyres! Profit all the way as the wheels of commerce must continue to go around - it's the law!

BYCYCLE - Buy-Sick-All: Buy into the Sick-All culture where health insurance is your vital state-is-tick, mandatory or you'll find yourself fined. The Big Pharma poisons-R-us is contract-you-all by government approval via mandatory injection and ongoing treatments for all that sickens you but nothing that cures. Huge Profit Lies in repeat Sales in the Human Sickness Trade-Handle-Bars to hold onto.

Bi-Sickle: DEATH carries a sickle to harvest the souls. He's harmless. He won't come for you until you are actually dead, but in this control matrix of Registrations-R-Us, you are ignorantly 'dead' even when you are still walking about thinking you are alive. So there's the Bi-Sickle action going on as you were 'soul-harvested' shortly after birth and made into a dead-fiction id.entity on paper and you were tricked thereafter into giving your life-force to that legal fiction until you dropped the physical body and DEATH came for you with His trusty sickle.

Governments require registrations and all manner of form-fillings-in, and governments are corporations too, nothing less than Merchants of Misery with Value-Added-Tax,

Merchantilers on the Merchant-Navy-Seas-Seals, Seals on the Parchments/ Contracts and Dock-You-Ments overseen by the Trade/Handle-BAR lawyers who Pedal their wares like any Fishmonger at the Dock or in the busy Market, Market-Traders on the Stock-Market, International Shipping Insuring the Traders of Fish buy-into the Roman Cult/Bank/Church/State, The Sign of The Fish motif, ALL Religions run in the Doubt & Belief program, Bi-Duality-Cycle.

This Bi-Psi-Cull (duality-mind/pressure-harvest) has been well-riden (the harlot's progress as the local bike), as the controllers have been furiously pedalling for two (bi-cycles) millennia and it's been quite a ride.

It's over now.

Now we look back over our indoctrination with new eyes to see and ears to hear (phonics and spell-busting) and find all the clues which unveil the hidden-in-plain-sight agendas.

We don't doubt or believe any more.

NOW we k-NOW.

A bicycle is just a tool, a simple machine we use to get ourselves from one place to another, when exercising or just playing out with our little friends. Bikes! They are great.

Whenever we start to look closely at the things around us, those commonplace objects and tools we use, at their various names and so on, we will see the clues they reveal about our reality thus far, and that's when we shift our reality, very quickly as we break the spells cast upon our minds by others and then we can re-define everything, using our own interpretations, our own de-phoenicians of what sounds and letter combinations mean to us. It's liberating! Free your mind and the rest will follow...

As you can see, I have merely scratched the neat and shiny paintwork on the 'bicycle' here, and I know you will have had a few 'thought-scratchings' of your own as you were reading this.

Fun isn't it!
