

The Tomb Riddle

by Ninja Bambi, June 2014

What would have happened if 'Harry Potter' had simply said:
'NO NAMES HERE MATE'?

The Diary Of Tom Riddle

*is really a clue to the
Die-Are-I/Die-Ore-Eye of the Tom(b) Riddle.*

*The riddle of the chamber of the dead, where the die-are-i is a
valuable clue.*

*Did you know the plural of the word DICE is DIE?
It's another clue and to play the 'name game' simply
Rho-El/roll the dice/dies!*

Tom Riddle is the other NAME of Voldemort!

Vol = Full.

De = off/from.

Mort = dead/death and mortal-eye/i-tie/mortality.

*So, Vol-de-mort is what happens to you, allegorically speaking, if you
claim the LEGAL NAME - that 'TOM RIDDLE' name.*

The Legal Name is the one which must be written /rite-on- down.

It's the name that is

REGISTERED

into the

'BOOK of the DEAD'

where it is recorded/re-core-dead/re-cord-dead

*and as a result your SOUL is then inked into a binding/corded
contract within the*

Tomb/Chamber of SE-crets/Sea-Crates!

Which is yet another clue to the controlling

*Papacy/Paper-Sea,
Shipping-Freight/Fright,
Mer-Cant-I'll/Merchant Semen/Seamen,
Commerce/Come-Hearse,
Admiralty Law/Legal system.*

So, now we can see that Voldemort is ALL of us who claim/claimed the Legal NAME we were tricked to be-LIE-ve was US, both on paper and in voice/in-voice.

And by doing so, we consented to having been recorded and bound, forever, within the tomb riddle diary/die. are-í legal contract system.

Our true, names can never be spoken or known by another. They remain inside of our own consciousness, unique and undefineable.

Remember this clue:

Voldemort was the name that nobody must speak aloud...Sshh!

Now the Tomb Riddle of the Chamber of Sea-Crates has been broken.

And so again, I wonder....

What would have happened if 'Harry Potter' had simply said:

'NO NAMES HERE MATE'?
