Firstly, of Great Importance and not to be Overlooked in case of Offence and Wrongful Indignation, allow me to Introduce to You the Introduction.

The Introduction

In order to fully appreciate the comedic value contained within this small collection of extraordinary quotations one must be familiar with a fundamental truth - that being the truth about the Crown Corporations' Crown Copyrighted/Registrations processes which creates the phenomenon known as The Legal Name Fraud including the truth about humanity's historic, long-standing and ongoing willingness to register everything with Church & State, including their children. This is a universal matter and a universal truth.

For those readers who are as yet unfamiliar with this truth, the comedic value contained herein will be lost in the vast desert of your ignorance and buried six feet deep under the tangled heap of your delusions, assumptions and presumptions.

It is my desire to entertain you with laughter of the darkest and most bitterly ironic kind. Think of the difference between raw, dark and bitter chocolate (favoured by connoisseurs of maturity and discernment), and sweet white chocolate (favoured by little children) and you will see how those who come to this offering as 'children' will meet with an experience intended for the 'connoisseurs of truth' and you will realise how what is 'delicious' to the one may be 'distasteful' to the other.

Therefore, if it is your wish to fully appreciate what is presented here, you are advised first to learn the truth about the [Legal Name Fraud](#) and how humanity has been enslaved, by consent, to be registered into the Crown Copyrighted 'Book Of The Dead'.

"Surely, You Jest?", some may exclaim after first reading the above information. Certainly Not! 'Jesting' is the remit of the Court Jester and we are not at Court.

Though, indeed, some still feel inclined to attend court and only they can know how tragic or amusing that experience turned out to be!

My Cautionary Duties now diligently fulfilled and filled-full of truth, I say unto you who are ready and willing to continue,

Let us Tarry no longer, dear Friends.

Copius Quantities of the Blackest, Most Tragic Comedy Awaits!

Quotation No. 1

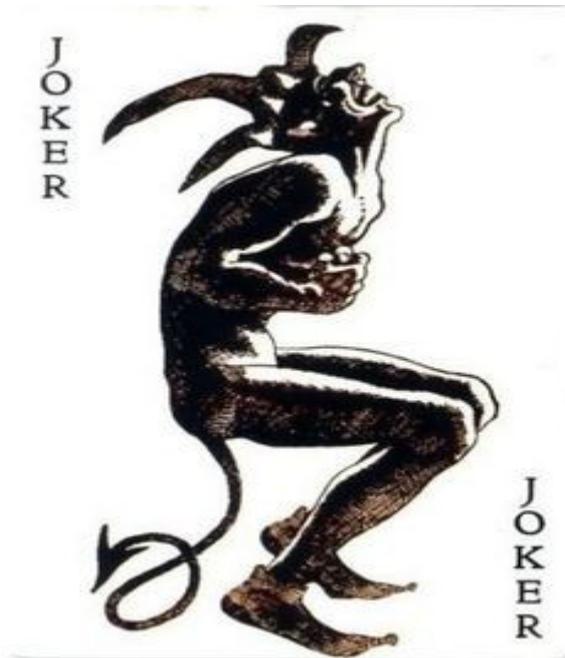

“

To be GOVERNED is to be watched, inspected, spied upon, directed, law-driven, numbered, regulated, enrolled, indoctrinated, preached at, controlled, checked, estimated, valued, censured, commanded, by creatures who have neither the right nor the wisdom nor the virtue to do so. To be GOVERNED is to be at every operation, at every transaction noted, registered, counted, taxed, stamped, measured, numbered, assessed, licensed, authorized, admonished, prevented, forbidden, reformed, corrected, punished. It is, under pretext of public utility, and in the name of the general interest, to be placed under contribution, drilled, fleeced, exploited, monopolized, extorted from, squeezed, hoaxed, robbed; then, at the slightest resistance, the first word of complaint, to be repressed, fined, vilified, harassed, hunted down, abused, clubbed, disarmed, bound, choked, imprisoned, judged, condemned, shot, deported, sacrificed, sold, betrayed; and to crown all, mocked, ridiculed, derided, outraged, dishonored. That is government; that is its justice; that is its morality." - Pierre-Joseph Proudhon

The truth of the above quotation is self-evident yet our interest lies in the bitterly ironic comedy contained within it..

"... sold, betrayed; and to crown all, ..."

To Crown All could be the Psychopathically Inspired 'motto' of the Crown Corporation.

Quotation No. 2

“

I freed a thousand slaves. I could have freed a thousand more, if only they knew they were slaves." - Harriet Tubman.

And what of all those 'freed slaves'? Doubtless they have subsequently registered their children, generation after generation, right back into slavery-by-consent. Oops!

'If only they knew they were (still) slaves'.

Quotation No. 3

“
...The Land of The Free and The Home of The Brave." - US Citizens sing-a-long.

(From Walt Disney's Fantasia)

Perhaps, 'Welcome to the Disney-Land Of The Fantasy Free', would be a more accurate message at US Immigration.

Quotation No. 4

“
Man did not enter society to be worse off, or to have fewer rights, but rather to have those rights better secured" - Thomas Paine

Rights! Citizen rights: Ignorant, voluntary slavery. Very well 'secured' indeed.

Quotation No. 5

“

Let a crown be placed thereon, by which the world may know, that so far as we approve of monarchy, that in America the law is King. For as in absolute governments the King is law, so in free countries the law ought to be King; and there ought to be no other.” - Thomas Paine

Oops! There's that mysterious (not) 'crown' again!

What was it called again? 'The Virginia Company', 'America', 'United States Of America', 'United States Inc.'...? Nevermind! Name the place what you like, so long as the Citizens believe they are free!

Just so long as they have the right to *pack a piece* the Citizens will love their Government!

No, not Peace. Piece! There is no right to Peace!

Say it loud: A-mere-icou and Proud!

Quotation No. 6

“

Men occasionally stumble over the truth, but most of them pick themselves up and hurry off as if nothing ever happened." - Winston Churchill

He was right! Try sharing the truth about the Legal Name Fraud and see for yourselves!
