or

### A 'How To' Guide For The Modern Tyrant

#### A brief outline of traditional Tyrant-ing and the getting/keeping of slaves.

Raid a small village or Sack a city. Next, kill all the ones who call themselves 'leader/king/princess, lord, elite and so on, especially those ones wearing big, heavy, gold official symbols around their fur and lace trimmed necks'. Next capture all the ones who look a bit strong or a bit poor, and all the existing slaves of course, and make all of them your slaves. Be sure to kill the old, maimed, sick or otherwise no-longer useful ones.

In the matter of any literate slave (there may be the rare house-slave who can read and write - some masters had particular uses for such slaves and kept them as something like a 'pet' at their side) determine their level of knowledge and intelligence, if you don't want a clever pet you didn't train yourself, kill it.

Note: Regime changes matters little to slaves, though it does provide them with plenty to gossip about, which is one of their few pleasures in life.

All you have to do next is feed, clothe, house and generally care for your slaves until either they die of natural disease or you kill them. You may beat and kill your slaves whenever you desire because they are your slaves, and if you are a really extra-psychotic tyrant you may find you have killed ALL the slaves in one grand 'moment of madness', oops! Or perhaps you have been careless and lost count and killed too many adult slaves before they have had time to breed and raise the next adult generation of slaves...if so simply repeat from the part where it says, "Raid a small village or Sack a city...".

#### A brief outline of why traditional slavery began to lose favour with the Tyrants.

It became clear that the getting and keeping of slaves was an expensive business. The time came when there were too many Tyrants and too few slaves worth the bother. Something had to change.

#### Introducing Modern-day slavery. A genius method for those Tyrants with vision.

A serious modern-day Tyrant must effect a culture in which slaves have no idea they are slaves! And one in which those ignorant slaves-who-don't-know-they-are-

slaves actually pay the Tyrant an enormous, recurring, income for their lifetime, generation after generation – forever.

The less imaginative tyrants will need this concept explained in a little more detail.

### Here's How It's Done:

**a.** Announce All Slaves Are FREE! Slaves are now responsible for supplying their own food, shelter, clothing, etc.

**b.** Announce All ex-slaves must register themselves and their children. This is in order to obtain the valued and highly desirable status of Citizen – because, well, nobody wants to be thought of as an ex-slave and everybody wants to be recognised as a proud Citizen. The ex-slave/citizen Register will record a few simple facts, those facts which the ex-slaves may know (some cannot even speak, having had tongues removed, so do your best), such as Name, Sex, Place of Birth (if known), Date of Birth (if known), Mother, Father, etc. After the initial registrations are complete, any and all newborns must be registered – eternally.

Of course, the Tyrant understands the new registration process is voluntary, but nobody tells the ex-slaves this, it is better if they believe it is mandatory in order to obtain the title of Citizen. To this end it is vitally important the first generation of freed slaves (and all subsequent generations) be made to believe it is desirable, above all things, to become a Citizen. They must believe the ex-Tyrant now called The State, is benevolent and wants nothing more than to protect them and provide them with every opportunity for a good, healthy and safe life as Free Citizens. It must be made very clear, in a general sort of way, that those who are not Citizens may be treated as suspicious, may find it difficult to gain employment, may even be viewed as 'enemies of The State'.

Next, wait a good long while, until all the ex-slaves have been getting used to life as free Citizens, making their own choices about things like how much food they can afford to buy and where they can afford to live on the wages they now earn. Notice how happy they are when the few coins are placed into their eager hands each day when they have laboured the contracted number of hours. Yes, let them get used to this idea of getting paid. It's such a gift, this new Citizenship. Once they are used to their new lives as Citizens, and have everything within their perceived control, continue as below.

**c.** Announce All Citizens must pay taxes, or be subject to punishment, fines, etc.

**d.** Announce All Citizens must abide by all acts, statutes, by-laws, whims, fancies, etc., or be subject to punishment, fines, etc. Invent an endless list of acts, statutes, by-laws and add to this list regularly.

e. Announce All Citizens must be educated using the national system/curriculum (this actually means young Citizens will be indoctrinated into being very good adult Citizens). Punish Citizens who don't send their children to be indoctrinated by The State.

f. Announce The State's need for a very large and ever-ready military force. Ensure all Citizens understand the importance of being patriotic and the need to defend The State at home and the strategic need to attack the perceived enemies of The State abroad.

All this will keep things going along nicely for The State and the money filling The State's large pockets at such a rate The State will need to build new, larger, pockets and pay some Citizens 'slave wages' to guard them.

What can be achieved by the modern Tyrant with no limits to his imagination we can see evidence of today. He has expanded and grown and morphed his little city state control system into a total worldwide control system.

It is a marvel. Some refer to it as a 'matrix' where the (ignorant of what is really going on) Citizens exist within a complex system where the

-mind control is cloaked as education/mass media (State controlled both)

-State-sponsored poisoning-for-profit/other abuses of the Citizens are cloaked as national/public health services/peace-keeping/policy enforcement, etc.

-acts/statutes/by-laws/tariffs and associated fines and fees all provide wealth to The State and cause poverty for the majority

-work and travel is impossible without permits, licenses, identifications - none of which can be obtained without using the Name on the registered certificates of birth.

And yet all of this (thanks to the mind control indoctrination systems) is accepted, as it is described by The State, as "the ultimate model of an advanced society". And the registered Citizens are in full-agreement, by consent and contract, with everything that is happening to them.

Yes, it is a wonder, indeed, how the modern-day Tyrant progressed from simple to complex slave-trading and control, and now presides over the whole world, albeit that it appears to be divided-up into illusory bordered countries (corporations is all they are), where each country-corp is populated by the same enslaved Citizens who speak different languages to their neighbours, where wars and international terror are commonplace, where the majority everywhere live in poverty and fear and yet, and yet, and yet, all these Citizens worldwide are thankful in the knowledge they all share, a simple truth they hold dear to their hearts and what they tell themselves whenever they

have cause to bitterly complain about so many things that are wrong in the world:

***At least we get to vote and make a difference in the future.***

***At least we're not slaves like our ancestors were.***

***We are free!***

This is, of course, just a Grand Illusion. How is it possible to be free when one lives under such circumstances?

So, has the Tyrant practiced a terrible and twisted Evil with Malice–aforethought upon Humanity as a whole?

Yes. Looks that way.

Does the Tyrant care?

No. Doesn't look that way.

Yet, here's a simple truth:

Evil sows the seeds of its own destruction within its every thought, word and deed. And because of this, it is definite and unavoidable that one day a Citizen will awaken from this grand illusion and will begin to look at everything with new eyes, and they will see what others have not seen, and what they discover they will prove and what they prove they will share.

They will uncover the truth about the Name of every Citizen, and the Contracts and Agreements made by all using the Name. This truth will go deep and hit hard and be a ripping–away of the Grand Illusion.

This truth will spread like wildfire once it starts to be known in the hearts of the innocent and benevolent – who are the majority of humanity.

There will be no more lies, no more illusions, no more slavery, but only for those with the desire, the courage, the heart and the purest intent to free themselves and LIVE in Truth.

The truth revelation has already begun.

Today it is widely known that the Name IS the allegorical 'Mark of the Beast' and that All things Registered do NOT belong to those who registered them.

**1. NAME:** The master key to the entire system's/CROWN CORPORATION'S game. The NAME is the lynch pin to the entire legal/control construct. Without a LEGAL NAME, which is your consent by agreeing to be said NAME, the system vampires cannot literally feed on your life blood/creation source energy that is typically shown in the physical materials we collect. It is only the CONSENT to be/use/have a LEGAL NAME/Mark of the Beast that is required for your absolute spiritual contract/deal with the devil motif to be in FULL FORCE AND EFFECT with you as a SLAVE and them as MASTER. For PROOF of this, look and see how much of your life/existence involves a LEGAL NAME and you will see the measure of control the system has over you.

**2. REGISTER/REGISTRATION** etc. : Any/all things registered are FULLY SURRENDERED with consent to the CROWN CORPORATION with NO legal recourse until such things are removed by exposing the INTENT by those who serve the CROWN CORPORATION to commit fraud knowingly/unknowingly.

ex: A child that is REGISTERED is CROWN PROPERTY by ignorant consent where the truth of REGISTERING was not brought forth which is the original INTENT by CROWN CORPORATION SERVANT'S OWNERS to have people offer their children unknowingly into slavery of soul, and thus, body. It's the soul they're really after, so keep that in mind.

**3. MONEY, GOLD, SILVER, ASSETS, BITCOIN** etc. are ALL illusions of value where YOU are the true creator of all physical manifestations. Money, external value, has been the tool as the third party interloper "middle man" that has made draining your power possible. Money or the like only has value if one has been duped into thinking it does. This illusion is the ultimate distraction and destroyer of creator souls, literally. ALL money is based on the soul CONTRACT commonly known as a BIRTH CERTIFICATE.

**4. BIRTH CERTIFICATE:** The ORIGINAL SIN CONTRACT. The NAME you think/claim as yours is NOT your creation. Your "assumed NAME" was created by your parents/family members/adoptive kin, NOT YOU. This is an ORIGINAL CREATION manifested by another that is, in turn, REGISTERED thus rendering it CROWN CORPORATION PROPERTY as previously stated. It is upon this deception that YOUR literal soul was and is enslaved and upon which ALL MONEY/DEBT is created. A DEBT

BOND "value" was placed in the BIRTH CERTIFICATE based on the assumed accrument of TAXES, LOANS, DEBTS a child is expected to pay as long as they are part of this FRAUD upon humanity.  
ex: If someone is expected to pay a certain amount of taxes etc. in their lifetime, the BOND is given a DEBT "VALUE". A child born into a wealthy family will have a higher debt bond value than someone who is of a lesser perceived "income bracket" rating. This is slave trading at its finest which divides and conquers humanity in the SERF/CASTE/HIERARCHY system that encompasses the planet.

**5. COMMAND AND CONTROL:** The courts and governments are the system slaves within, bought and paid for where the true command and control aspects are the POLICE/MILITARY as the front line dogs and fear contractors for those above the courts and governments such as the BANKS/RELIGIONS and those that control them. The courts and governments are merely the filler for this "sandwich" of deception and illusion. Without the ability to CONTRACT via any/all NAMES at the front line level, the whole system of control is destroyed, most importantly those at the very top of this spiritual slavery pyramid. Without the NAME, all levels above are ultimately annihilated completely.

**6. THE TRIPLE CROWN:** This consists of ROME, CITY OF LONDON CROWN CORPORATION and WASHINGTON D.C. They are the unholy trinity of the 3 in 1, 1 in 3 as illustrated clearly in the Papal Crown: Religion, to control the beliefs, minds and spirituality of humanity, the Courts and Banks to control the money/bonds and the world Police/Military to quash rebellion and act as frontline contractors of soul extractions.

**7. PRINCIPALITIES OF DARKNESS:** This is the true nature of the game that the vastness of humanity is blind to. Religions have been used to separate you from source by making one believe "god" is external and use the "savior" program to reinforce this. Money is the tool that is used to keep people in the physical-only realm by getting them to equate an external "value" on everything where nothing would exist without the people and their creativity. Physical death and harm is the tool used to clamp down your true essence which is all creation itself. The tools employed are languages with the corruption of pure frequency intent with multiple meanings of the same sounds/frequencies, using WORDS and SPELLINGS (literally), thus dividing and conquering us and redirecting our energy into THEIR creations and control. These entities CANNOT create anything since they are soulless and thus, utterly

powerless. They know this and are absolutely terrified because this spells their doom, once and for all. We are life with consciousness where these entities are consciousness without life/soul/spirit. They are COMPLETELY AND SOLELY DEPENDENT on getting our CONSENT or spiritual contract agreement and this is easily achieved through the NAME deception, buying people off, ego comforts etc. Their whole house of cards/pyramid is BASED on this FACT. We are the fuel for their system/vehicle. Without spiritual fuel, they are destroyed.

The biggest program that we run into with the masses is the sheer disbelief of their own power and who they truly are. A masterful job has been done to get humanity to this level of spiritual weakness and complete ignorance. This was the intent of corrupting the ancient truths, re-writing our past and presenting this in schools, churches and all levels of ego academia. Repeat a lie often enough and people will believe it. It is far easier selling a giant lie to the masses than selling us one by one.

The media is the main tool of thought direction and manipulation to reinforce the lies we were filled with as children and up to our current state.

We have many soulless entities on this planet with the vast majority being placed in positions of power and control, be it police, courts, media, churches, governments, schools, military at ALL levels. Fear is their only tool and once one sees one's own true immortal nature, one becomes untouchable; literally. The mass hypnosis of humanity is deep and you will meet all levels of resistance from friends, family, co-workers etc. so don't bother trying to wake those consenting to be dead. The facts to prove this are all there for all to see so it is up to them to look, not you. Simply plant the seed and walk away. They are the same as the ones in the allegory of Noah that came to the ark too late; let them drown.

We are now at the culmination of destroying these entities once and for all and they are pulling out all the fear porn, illusion and desperation plugs and in that process, they're sinking their own ship where I merely hand them a better plug-puller now. YOU and only YOU can save yourself and no-one else so stop killing yourself trying. Let the dead bury the dead and perhaps they'll "get it" on the next pass but they are NOT your concern. Stay the course. The path home is the one of truth only and nothing else. Your willingness to stand in truth is yours alone and to the degree that you stand will be the same degree that you become untouchable spiritually and, as a result, physically. As above, so below after all.

There is no "middle ground" here, you're either in or out of Babylon. You are either master or slave, mortal or immortal. The soul, YOU, are

infinite where the body is merely a biological computer you operate. Your computer was infiltrated and corrupted (reptilian brain stem/fused chromosomes) and separated from the heart source mind. The soulless ones cannot experience compassion so don't expect them to. They are the same as the Terminator droids in the movies, programmed to control and kill without remorse and are easy to spot. They are everywhere including your own family, friends etc. and all you have to do is "feel" your way through. Let your instincts and your heart be your guide. We are clearing this reality of these parasites exponentially now where universal law reigns supreme where none shall or can trespass. They are masters of deception so do not let your loving compassion be used against you, something that has been their most powerful tools. The bio-borg entities are already lifeless and are dependent only on being able to suck the life out of you but, like every vampire, they cannot enter your reality without an invitation. Every use of the legal NAME is the only invitation they need so best cut your ties and consent with that. Just get this concept and you have already cut the puppet strings and your causal ability returns instantly in relation to your ability to be responsible with that ultimate of powers.

To the "walking dead" (and you know what you are) , your time is over, your deceptions are powerless and now moment by now moment, you are being erased from consciousness for the invading parasites you are. We, of the living soul, are awake, aware and reclaiming our reality where yours never existed. In short, yes, you are doomed. Have a nice day!
